

## **Cinderella G2K Audition Monologues Brisbane Junior Theatre 2020**

**Cinderella:** Just the same, I am wishing – In the name of every young girl who ever wanted to go to a dance and as told she couldn't. I am wishing that by some magic or fol-de-rol and fiddle dee dee that I could go to the ball tonight.

**Prince:** See that the slipper is tried on every young maiden in the kingdom. Every last one no matter how unlikely she looks. Keep trying until you find the foot that fits that slipper. Do you understand? Find that girl!

**King:** Oh hello my boy, how are you feeling? You're not unhappy or anything are you? I am tired when I think of that darn ball. Yes I know how you feel my boy, but your mother has her heart set on this affair, So it's best not to let her know how we feel. It would break her heart!

**Queen:** All you've done for five years is gained weight! You haven't worn a court costume because we haven't given a ball for five years. The royal tailor will have to make you another suit.

**Herald:** His Royal Highness, Christopher Rupert, Windemere, Valdimere, Karl Alexander, Francois Reginald, Lancelot Herman, Gregory James - is giving a ball!

**Stepmother:** Now my daughters I want to talk to you – not you Cinderella, I want to talk to my own daughters. As you know, my little moppets, this ball that the Prince is giving is for one purpose only- to choose a bride!

**Portia/Joy Stepsister:** Cinderella, close the door, Cinderella my chair, Cinderella, it's freezing. Really Cinderella! That girl always wants to sit down. No wonder she never gets anything done. Cinderella, get to work!

**Godmother:** Heavens no! all I can do is give you your wish. How it turns out from here is up to you!- Except for one thing! Do not stay beyond 12 O'Clock. See that you are in the coach and off for home before the clock strikes 12.

### **Cinderella (General Audition Song) "Ten Minutes Ago"**

In the arms of my love im flying.  
Over mountain and meadow and glen.  
And I like it so well That for all I can tell I may never come down again.  
I may never come down to earth again.
