

## “13 The Musical” Monologues BJT 2021 Season

**Evan:** Okay. You wanna talk about turning 13? It’s a nightmare. I’ve got hair growing in places I didn’t know were places. Plus, my parents are splitting up. Plus...PLUS...I also have to have my Bar Mitzvah! I don’t care how much my parents hate each other. They’d better pull it together and make sure everything about this party is absolutely, positively, for once, please God, perfect!

**Patrice:** Evan...I’ve been trying to tell you for the last month, they hate me. They write “we hate you” on my locker. Look, I don’t read what they read, watch what they watch, shop where they shop or think like they think and neither do you. Trust me, you should stay away from those guys.

**Archie:** I’m Archie. Are you looking for Patrice? She’s like my best friend. Also my only friend. Your looking for her..why? You wanna do something else to publicly humiliate her and ruin her life? Yeah, it’s already on Youtube. But I think I can help you ...and you ...can do something for me? A deal, of sorts. A small deal. A no-big-deal deal. I need a date! Kendra. She wants me.

**Brett:** Brain, your idea of taking Kendra to the movies was great. Now, get your mom to buy tickets for “The Bloodmaster.” Friday night. I’ll make it easy. You want us all to come to your little Jewish party? Friday night. 7:30. Or maybe you’re not as useful as I thought

**Kendra:** Okay, this is it. I just made it up last night, so it’s a little rough, but it’s sooooo good! Come on girls lets go. Okay, come on! We do the cheer, then the cascade! Charlotte, you first, then Cassie. Molly, you next, and then Lucy, you catch me at the end! Ooooooooookay! Here we go!

**Lucy:** You know, Kendra, I’m just worried that maybe you’re not ready. You need to work your way up to a “Brett.” Besides, you can go out with lots of other boys...As long as you know that Brett asked you to the movies for one reason only. He wants to do the “The Tongue!” And trust me, you won’t like it.

**Malcolm:** This is bad...This is real bad. This is the bad that bad thinks is bad. Yo, Brett! Why weren’t you at practice today? Coach just said “why bother practicing without Brett?”, So instead we watched a movie. Hey, are we still on tonight for Grand Theft Auto? I texted you this morning, but you didn’t hit me back.

### Audition Song BRAND NEW YOU:

I SAW THE COVER AND JUDGED THE BOOK, I TURNED AWAY WITHOUT A  
SECOND LOOK, BUT NOW, NOW, NOW  
I SEE A BRAND NEW YOU I TOLD MYSELF I BETTER RUN AND HIDE. I NEVER  
NOTICED WHAT WAS THERE INSIDE, BUT NOW, NOW, NOW  
I SEE A BRAND NEW YOU! AND I CAN’T STOP MYSELF FROM LOVIN’ EV’RY  
ITTY BITTY THING YOU DO!
